RE: TIGER Discretionary Grant—ELC/EOC Corridor

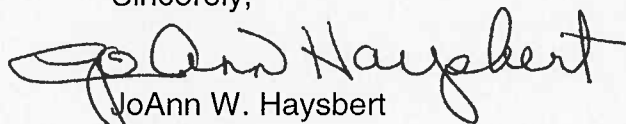

Dear Mr. Mariner:

I would like to add my voice of support to the committee that visited with you in your office on 8/13/10.

A north/south corridor through Logan and Oklahoma Counties would be of great benefit to students and faculty who commute to Langston University. In the near future, this project would bring housing and industry to our rural community, thereby keeping our educated and talented young people in the Langston area and assuring an improved quality of life for this part of the country.

If I can provide any information to assist you in awarding the TIGER grant, please do not hesitate to contact my office.

Sincerely,

JoAnn W. Haysbert
President
