RE: Tiger Grant

To Whom It May Concern:

I live in Harrah, OK, and own a business in Choctaw, OK. Commerce is sufficient in these two communities, but sometimes requires travel into and around Oklahoma City and surrounding areas. An alternative route of travel is essential in this area. My community is proposing a solution which would benefit all. It consists of widening Harrah Road south of S.E. 29th street to I-40. This plan also includes making Luther Road a "Super Two Lane" north of S.E. 23rd street out of Harrah all the way to Langston University at Highway 33. Traffic wise, this proposal would benefit not only my community, but also Oklahoma City. Your consideration of this Tiger grant funding for this project and my community would be greatly appreciated.

Sincerely,
