Dear Secretary LaHood:

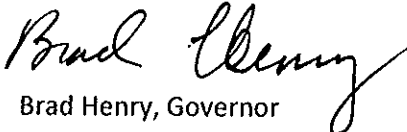

This letter is to express my full support for the application of a Transportation Investment Generating Economic Recovery II Grant, which will help finance the Eastern Logan County/Eastern Oklahoma County Multiple Jurisdictional Economic and Transportation Corridor Project (ELC/EOC Corridor). It is encouraging to see progress being made towards accomplishing what has been in the planning stage for several years.

Oklahoma will profit in many ways from the road improvements which this grant will achieve. It will address safety issues, promote industrial and economic growth, and will provide a better quality of life.

I have a specific interest in the safety of our children, and better roads for transporting them to and from school. In addition, The ELC/EOC Corridor will provide a safer route for emergency responders, as well as improve their response time.

If I can do anything to assure the grant is awarded, please do not hesitate to contact my office.

Sincerely,

Brad Henry, Governor
