August 5, 2009

Mr. Michael Pearson – County Commissioner
Logan County District 2
817 Northeast 63rd Street
Oklahoma City, Oklahoma 73105

Attn: North/South Thoroughfare Project Committee – T.I.G.E.R. Grant

As Fire Chief for the Harrah Fire Department, I feel strongly that good roads in our coverage area would greatly assist us in improving our response time when an emergency occurs within the city limits and county areas we respond to, as well as minimizing the wear and tear on our equipment.

The Harrah Fire Department supports Dist. 2 Commissioner, Mike Pearson, Logan County, the North/South Thoroughfare Project and acquiring the T.I.G.E.R. grant.

Sincerely,

Murrel Coleman
Fire Chief – Harrah Fire Department
