To Whom It May Concern:

My Business is seriously looking to buy and move into Harrah Industrial Park, here in Harrah, Oklahoma.

We have heavy trucks that will be driving up and down Harrah Road to Interstate 40 several times a day.

It is very imperative that Harrah Road is widened between S. E. 29<sup>th</sup> and Interstate 40.

Any help you could give us would be appreciated.

Thanking you in advance, I am

Sincerely yours,

Karen Heffley
