Mr. Michael Pearson – County Commissioner
Logan County District 2
817 Northeast 63rd Street
Oklahoma City, Oklahoma 73105

Attn: North/South Thoroughfare Project Committee – T.I.G.E.R. Grant

As Police Chief for the Harrah Police Department, I strongly support any effort to improve the roads traveled by our officers in the performance of their daily duties. Safety is always a concern for those responding to an emergency situation or in pursuit when roadwork is badly needed. Good roads also go a long way to minimizing the wear and tear on our vehicles.

The Harrah Police Department supports Dist. 2 Commissioner, Mike Pearson, Logan County, the North/South Thoroughfare Project and acquiring the T.I.G.E.R. grant.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Eddie Holland'.
