RE: TIFIA/TIGER Program

Logan/OK Co - North/South Thoroughfare Project

Dear Mr. LaHood:

I wish to lend my support for the application submitted by the Circuit Engineering District #5 to the Department of Transportation for a county road improvement project. The project spans across Logan and Oklahoma Counties and is critical for economic growth and transportation needs in both areas.

I hope the request will be given full consideration for funding of the proposed project. If I can be of further assistance, please do not hesitate to contact my staff assistant, Lynne Hill in my district office at (405) 373-1958 or [lynne.hill@mail.house.gov](mailto:lynne.hill@mail.house.gov).

Sincerely,

FRANK D. LUCAS
